MDeverywhere Announces Hiring Dhiraj Sarin as Chief Operating Officer and Country Manager

May, 2009 – MDeverywhere today announced the addition of Dhiraj Sarin as Chief Operating Officer and Country Manager for service delivery by the India team. .

Dhiraj is joining MDeverywhere with more than 18 years of experience in operations and Business Process Outsourcing. He spent 6 years with GE Capital International Services. While at GE, he worked on assignments in transitions, six sigma quality and complex back office transaction processes. Most recently Dhiraj worked for EXL Service, a leading third party BPO provider. At EXL Service he was the head of Process Excellence and managed the quality and transition functions. His other assignments have been in the financial services industry with ITC and Essar, two large business houses of India. Dhiraj is an economics graduate from Delhi and a postgraduate in Business Management from Institute of Management Technology, Ghaziabad, India. He is a Lean Six Sigma Master Black Belt.

“Dhiraj brings a great deal of experience and knowledge to MDeverywhere. I am very excited that he is joining our team. He will serve a very important role in continuing to build our wholly owned India operation to support our growth and expansion,” said Ann Bilyew, MDeverywhere’s CEO.

MDeverywhere offers a leading revenue cycle management solution for physicians. Its unique solution includes web-based practice management software, coding rules engines, contract monitoring tools and full-scope claims management and back-office services. MDeverywhere was founded in 1995 and currently serves over 2,500 physicians nationwide. Clients include solo practices, group practices and large faculty practices in more than 60 different specialties. MDeverywhere is headquartered in Hauppauge, NY with additional locations in Research Triangle Park, NC and Noida, India.
